MATYODESIGN IS A SOCIALLY CONSCIOUS, AUTHENTIC HUNGARIAN BRAND EMPLOYING LOCAL CRAFTSMEN. THIS IS WHY EACH AND EVERY MATYODESIGN PIECE IS UNIQUE, GOES AGAINST FAST FASHION AND IS TRULY HANDMADE WITH LOVE.

I'M ROZI VÁCZI, OWNER AND FOUNDER OF MATYODESIGN. I SPENT MY CHILDHOOD IN THE SMALL, COUNTRYSIDE VILLAGE OF TARD AND THEN MOVED TO BUDAPEST.

IT WAS THE CONTRAST OF URBAN AND RURAL LIFE THAT I DREW INSPIRATION FROM AND CREATED MATYODESIGN.

THE FORGOTTEN PATTERNS, UNDERVALUED LOCAL ARTISANS AND A SEEMINGLY FADING CULTURE WERE BROUGHT BACK TO LIFE; RENVISIONED WITH A VIBRANT, MODERN PULSE.

# MATYODESIGN PRODUCTS

Matyodesign products embody sustainability, uniqueness and deep respect for Matyó traditions.

Each piece is handmade, which means no two creations are ever exactly alike – this is what gives them their authentic value and makes them truly special as gifts.

By choosing matyodesign you are not only taking home a timeless, high-quality object but also contributing to the preservation of Matyó cultural heritage and directly supporting the work and livelihood of the women of Tard.

We believe that traditions live on when they are given space and meaning in the present. Our products build a bridge between past and present, carrying heritage forward in a contemporary form.

We are also happy to welcome custom ideas and special requests. We love thinking and creating together with you, bringing personalized concepts to life to create truly meaningful, one-of-a-kind pieces.
